

Specialty Boat Covers for High Profile Cabin Cruisers With Radar Arch

- Constructed with 100" long slots to accommodate radar arch and standard bimini tops. Slots are fully lined with hook and loop fastener for a snug and secure fit to keep boat fully protected.
- Designed with a front cut-out to accommodate anchor roller or anchor davit.
- Covers accommodate bow rails up to 30" high.
- Each cover has two sewn in snap pads for use with our boat cover support poles (part# 60000). Support poles are sold separately.
- Covers have draw cord encased in the hem and come standard with two rope ratchets to tighten as desired.
